### Glenn Foundation for Medical Research Breakthroughs in Gerontology (BIG) Award

**Sponsor:** AFAR

**Anticipated Deadlines:** Sponsor: Dec 17, 2020

**Award Info:**

Description: In a collaborative effort, the Arthritis National Research Foundation (ANRF) and the American Federation for Aging Research (AFAR) are seeking grant applications that focus on studying the underlying mechanisms by which aging processes contribute to the development of arthritis. Studies are encouraged to explore the interplay between aging and arthritis, with a focus on identifying novel therapeutic targets.

### Arthritis and Aging Research Grant

**Sponsor:** ANRF

**Anticipated Deadlines:** Sponsor: Jan 18, 2021

**Award Info:**

Description: Applicants may request up to $100,000 in direct costs only. The project period is one year, with the option to apply for a second year if significant progress is demonstrated. The grant period is July 1 - June 30.

### The Irene Diamond Fund/AFAR Postdoctoral Transition Awards in Aging

**Sponsor:** AFAR

**Anticipated Deadlines:** Sponsor: Jan 22, 2021

**Award Info:**

Description: The applicant must be a postdoctoral fellow (MD and/or PhD degree or equivalent) who is within three to six years of starting postdoctoral training at the start date of the award.

### Individual Investigator Research Awards

**Sponsor:** CPRIT

**Anticipated Deadlines:** Sponsor: Jun 3, 2021

**Award Info:**

Description: Award: Up to $300,000 per year. Exceptions permitted if extremely well justified; maximum duration: 3 years.

### URA Visiting Scholars Program (VSP)

**Sponsor:** URA

**Deadlines:** Sponsor: Aug 31, 2020

**Award Info:**

Description: Applications are judged on the scientific merit of the proposed activity and on the cost-effectiveness of the proposal. As all URA institutions contribute to this program, over time, some consideration is given to the balance among URA institutions, both by region and type. Consideration is also given to:

The URA Visiting Scholars Program (VSP) supports the work of faculty and students from the Universities Research Association, Inc. (URA) institutions to work at Fermilab for periods of up to one year. The URA Visiting Scholars Program is supported by contributions from the URA-member universities.
**NSF Scholarships in Science, Technology, Engineering, and Mathematics (S-STEM)**

**Sponsor:** NSF  
**Deadlines:** Sponsor: Mar 31, 2021

**Award Info:** $70,000,000 to $95,000,000 annually, for new and continuing awards. The program supports three types of projects. Awards for Track 1 (Institutional Capacity Building) projects may not exceed $650,000. Awards for Track 2 (Design and Development: Single Institution) projects may not exceed $1.0 million.

**Description:** Recognizing that financial aid alone cannot increase retention and graduation in STEM, the program provides awards to Institutions of Higher Education (IHEs) to fund scholarships and to advance the adaptation, implementation, and study of effective evidence-based curricular and co-curricular activities.

**NIH Director’s Pioneer Award Program (DP1 Clinical Trial Optional)**

**Sponsor:** NIH  
**Deadlines:** Sponsor: Sep 11, 2020

**Award Info:** Pioneer awardees are required to commit the major portion (more than 6 person-months or at least 51%) to activities supported by the Pioneer Award research project in the first three years of the project period. Awards will be for $700,000 in direct costs per year, 5 years max

**Description:** In the Pioneer Award program, emphases are on the qualities of the investigator, the innovativeness, and potential impact of the proposed research. Preliminary data and detailed experimental plans are not requested. To be considered pioneering, the proposed research must reflect substantially different...

**Beckman Young Investigators Program**

**Sponsor:** Arnold and Mable Beckman Foundation  
**Deadlines:** Sponsor: Aug 4, 2020

**Award Info:** The BYI program is open to those within the first three years of a tenure-track position, or an equivalent independent research appointment, at a United States academic or non-profit institution that conducts research in chemical and life sciences. Tenure Track dates for the 2020 program must start after...

**Description:** Projects proposed for the BYI program should be truly innovative, high-risk, and show promise for contributing to significant advances in chemistry and the life sciences. They should represent a departure from current research directions rather than an extension or expansion of existing programs. Proposed...

**Large Research Grants on Education Program**

**Sponsor:** Spencer Foundation  
**Anticipated Deadlines:** Sponsor: Jan 14, 2021

**Award Info:** The Large Research Grants on Education Program supports education research projects that will contribute to the improvement of education, broadly conceived, with budgets ranging from $125,000 to $500,000 for projects ranging from one to five years. We accept Intent to Apply forms twice a year.

**Description:** This program is “field-initiated” in that proposal submissions are not in response to a specific request for a particular research topic, discipline, design, method, or location. Our goal for this program is to support rigorous, intellectually ambitious and technically sound research that...

**Science of Science - Doctoral Dissertation Research Improvement Grants (SOS DDRIG)**

**Sponsor:** NSF  
**Deadlines:** Sponsor: Sep 9, 2020

**Award Info:** Two annual dates per year - February 10 and September 9
### Description:
The Science of Science: Discovery, Communication, and Impact (SOS:DCI) program is designed to understand the scientific research enterprise and increase the public value of scientific activity. The program pursues this goal by supporting basic research in three fundamental areas:
- How to increase...

**NOSI regarding the Availability of Administrative Supplements and Urgent**
Sponsor: Mar 31, 2021

Award Info: Application budgets are generally limited to no more than $100,000 direct costs per year. Should the proposed research require a higher budget, the applicant should consult with the program official assigned to the parent award and include a strong justification for the larger budget in the supplement.

Description: NOT-DA-20-047
NIDA is issuing this Notice of Special Interest (NOSI) to highlight the urgent need for research on the 2019 Novel Coronavirus (2019-nCoV, also known as COVID-19). NIDA is especially interested in research collecting and examining data on the risks and outcomes for COVID-19 infection.

AWARD INFO: Application budgets are generally limited to no more than $100,000 direct costs per year. Should the proposed research require a higher budget, the applicant should consult with the program official assigned to the parent award and include a strong justification for the larger budget in the supplement.

DEADLINES: Sponsor: Mar 31, 2021

Award Info: Recommended budget for direct costs of up to $750,000 per year may be requested. Applicants may also request up to an additional $300,000 in the first year of the award for major equipment to ensure that research objectives can be met and biohazards can be contained, totaling $1,050,000 direct costs.

Description: RFA-AI-20-028
The National Institute of Allergy and Infectious Diseases (NIAID) supports extramural research focused on understanding, controlling and preventing diseases caused by virtually all infectious agents. In response to threats presented by emerging infectious diseases, the NIAID Division...

AWARD INFO: Recommended budget for direct costs of up to $750,000 per year may be requested.
