### BARD United States-Israel Binational Agricultural Research and Development Fund

**Sponsor:** Binational Agriculture Research & Dev Fu  
**Deadlines:** Sponsor: Sep 15, 2020

**Award Info:**

**Description:**

BARD projects, conducted cooperatively by American and Israeli scientists, cover all phases of agricultural research and development, including integrated projects and strategic or applied research. Cooperative research entails active collaboration between Israeli and American scientists. The following...

### The BARD International Workshop Grant

**Sponsor:** Binational Agriculture Research & Dev Fu  
**Deadlines:** Sponsor: Jan 15, 2021

**Award Info:** Award amount: Varies: $20,000 to $45,000

**Description:**

Purpose: The purpose of the BARD workshop is to identify research needs in areas of new development, to define directions and opportunities regarding contemporary agricultural needs and provide information needed to address policy issues. The workshop is intended to promote increased...

### CISE Community Research Infrastructure (CCRI)

**Sponsor:** NSF  
**Deadlines:** Sponsor: Nov 11, 2020

**Award Info:** NSF expects to make the following types of award(s): Standard or Continuing Grants. Up to 10 New awards, up to 5 ENS awards, and 3-5 Planning awards are anticipated in each competition. The majority of the New awards will be made in the $750,000 - $1,500,000 Medium range. A small number of Grand awards...

**Description:** The Computer and Information Science and Engineering (CISE) Community Research Infrastructure (CCRI) program drives discovery and learning in the core CISE disciplines of the three participating divisions [(Computing and Communication Foundations (CCF), Computer and Network Systems (CNS), and Information...

### Lung Cancer Discovery Award

**Sponsor:** American Lung Association  
**Anticipated Deadlines:** Sponsor: Oct 3, 2020

**Award Info:** The Lung Cancer Discovery Award is for $100,000 per year for up to two years

**Description:** The Lung Cancer Discovery Award is for $100,000 per year for up to two years. The objective of the Lung Cancer Discovery Award is to support independent investigators conducting clinical, laboratory, epidemiological or any groundbreaking project aimed at revolutionizing our current understanding...

### The Allergic Respiratory Diseases Research Award

**Sponsor:** American Lung Association  
**Anticipated Deadlines:** Sponsor: Dec 12, 2020

**Award Info:** The Allergic Respiratory Diseases Research Award is for $75,000 per year, for up to two years. No more than 75% of the requested budget may be used for an awardee’s salary and/or fringe benefits and no more than 30% of the total award budget may be used to fund the purchase of permanent equipment.

**Description:** Award recipients will be selected by a review panel composed of American Lung Association and American Academy of Allergy, Asthma and Immunology representatives. Awards are administered by the American Lung Association but the funding of the awards is split equally by the...
